

Brief Profile: Sachin Kumar Sharma

Dr. Sachin Kumar Sharma is working as Associate Professor at the Centre for WTO Studies (CWS) under Ministry of Commerce & Industry, Govt. of India since November 2009. After completing his PhD in Economics from Jawaharlal Nehru University, New Delhi, he worked as a Consultant with United Nations Development Programme (UNDP) and Planning Commission of India on a project titled, “National Human Development Report”. He was awarded UGC Junior and Senior Research Fellowship (JRF/ SRF) and has been undertaking research on various issues related to WTO, international trade and agriculture negotiations.

Dr. Sharma has presented his research in various national and international conferences/seminars/workshops. He has delivered many lectures on WTO, agriculture, food security and subsidies in various specialized training programmes conducted for bureaucrats, foreign delegates and other stakeholders. He is also a member of several committees on WTO and Agriculture.

He has authored many reports for the Ministry of Commerce on issues related to Green box, India’s domestic support notifications, food security, Agreement on Agriculture and trade distorting support. Currently, he is undertaking research on issues related to food security under WTO, notifications on domestic support and various proposals submitted to agriculture sector in WTO and its implications for developing county members. He actively engages in various outreach activities conducted by CWS and other national/international organizations.

His research interests include WTO, Subsidies, Food security, Free Trade Agreements, CGE modeling, agriculture negotiations and human development. He has recently authored a book titled “WTO and Food Security: Implication for Developing Countries” published by Springer.
