

Professional bio

Dr. Mohammed Sulaiman is an economics researcher at the Centre for WTO Studies (CWS), Indian Institute of Foreign Trade (IIFT), where he works with the Ministry of Commerce & Industry, Government of India, on international trade and trade policy issues, with a particular focus on Non agriculture market access, regional trade agreements, tariffs, non-tariff measures, and India's trade relations. He holds a PhD in Economics from Aligarh Muslim University, with his doctoral research titled "Dynamics of Structural Change in India's Trade with GCC Countries since Liberalization." His research interests include international trade, development economics, trade diversification, and the empirical assessment of trade policies using applied econometric methods. He joined CWS as an Economic Associate in 2026.
