

Professional Bio

BIO : Passionate about international trade, development, and economic policy, Ms. Kanika Karwal is serving as a Young Professional (Economics) at the Centre for WTO Studies (CWS). She completed her B.A. (Hons.) in Economics from Atma Ram Sanatan Dharma College, University of Delhi, and holds a Master's degree in Economics, with a specialisation in Trade and Finance, from the Indian Institute of Foreign Trade (IIFT), which she completed in 2023. Her research interests lie in international trade, Industrial policy, development economics, environmental economics, and policy analysis, with a particular interest in the intersection of trade and economic policy.
